

The Special Observatory is only accessible via stairs/escalator.

This is the most gradual ascent up to Tokyo Tower.

There are 2 steps in front of Zojoji Temple's Sangedatsumon (Main Gate).

Enter from Kuromon Gate instead.

Wheelchair users should take Exit A3 and cross at the traffic light.

Only 1 bus per hour. Take note of bus times.

① The exit on the 2nd floor is closest to the Tokyo Tower bus stop.

② Wheelchair users should be aware of a 10-cm step on the bus stop-side of the sidewalk.
